

Parenting Education Resources

Minnesota Family Council

Minnesota Family Council/Institute (MFCI) provides this list of ministries as a resource for pastors and churches that seek tools for issues that face families in today's society.

MFCI encourages you to do due diligence before you use any of these resources.

MFCI provides the list of ministries on this page based on the representations of the ministry or churches that perform the ministry.

MFCI can neither endorse nor guarantee in any way the validity or the potential success of the ministries on this page.
